Curriculum

Superintendent of Schools

Mr. Alton U. Farnsworth, Superintendent of Schools

The final responsibility of seeing that the Guilderland Central School District is run smoothly belongs to the Superintendent of Schools. He works with the Board of Education, parents and teachers in an effort to see that Guilderland maintains its position as one of the finest school districts in the state of New York. The chief school administrator also works closely with the State Education Department in such areas as municipal laws, transportation laws, and fiscal laws pertaining to education and increased costs of education are just some of the many everyday problems facing Mr. Farnsworth.

Administration

School Board—Standing: J. Cleary, R. Kelly, C. Childs, E. Rafferty; Sitting: J. Heller, D. Selee, V.P., B. Hahn, Pres., E. Fassett, Absent: R. Smith

Secretaries: N. Alexander, W. Bell, M. Claus, H. Marion, J. Smith, O. Boonstra, W. Berschwinger

Secretaries: S. Hartman, T. Crounse

Mrs. Reed, Business Manager, Mr. McCarthy, Assistant Business Manager

Mr. Alland, Director of Curriculum

Computer Operators: S. Hershentoder, J. Berg, N. Nottke

Principal

Mr. Charles Ciaccio

As principal of our High School, Mr. Ciaccio has many demanding responsibilities. Some of these responsibilities are interviewing and hiring teachers, planning budgets, and working with teachers in all areas of education. With an expanding enrollment and changing curriculum, the problems of a principal are many and often challenging.

A healthy and meaningful relationship between the school and students is most important in a school of 1360 students. It is also an area of responsibility that will gain more and more importance in the changing roll of educating young people.

Under Mr. Ciaccio's leadership, Guilderland was one of the first High Schools to form a student-faculty committee. The members of this committee includes the presidents and officers of various student clubs, selected faculty members, Mr. Ciaccio, and Mr. Ryan, vice principal.

Mr. Ciaccio relaxes while talking to a group of students.

Assistant Principal's Message and Secretaries

Mr. John F. Ryan

Secretaries: Mrs. Hazel Cornelly, Mrs. Rhona Twombly

Looking at Guilderland High School students as a guidance counselor or as an assistant principal, one comes to the same conclusion. The Guilderland student body and staff are second to none.

A counselor aims to help the individual student develop to his fullest potential as a student and a person. As assistant principal, I am concerned with the individual in addition to the welfare of the entire student population.

My observations as an assistant principal tell me that our students want to be involved in school affairs, are interested in the welfare of others, and are capable of handling the added responsibilities that Guilderland High School is offering.

The students are now making their own decisions about student dress and are making mature decisions. The students are not wearing bizarre attire but are clean, well groomed, and neat.

Students now make their own decisions in study hall as to whether to go to the library, study hall, or the

student union. In most cases marks have not suffered and students generally are not misusing the privilege of student union. Senior monitors are aiding teachers in the supervision of student union in the cafeteria and the results have been most gratifying.

Guilderland High School has problems with smoking, driving to school, tardiness, cutting classes, and leaving school. The student body generally is receptive to the policies regarding these affairs and reacts positively when these mistakes are brought to their attention. Students are growing up and in the process need to be guided and aided so that they can learn to live in society.

I am proud of our students' attitudes toward their education, school, and staff. Students and teachers working together will continue to provide exciting educational experiences for the entire Guilderland School community.

Mr. Ryan

Guidance

The guidance counselors at Guilderland meet with every student to help them plan for the present and future. In high school, the student and counselor work together to make up a schedule that will suit the student's needs in the business, vocational, or liberal arts area. A schedule is planned for each student so that he may be prepared to enter into higher education, the military, or the labor market upon graduation.

Each student is free to meet with his counselor at any time during the year. The discussions often concern schedule changes, post high school plans, or everyday life. The counselors also administer standardized tests throughout the year such as the College Boards and the Regents Scholarship Exams.

This year Mr. Macali joined the Guidance staff consisting of Mr. Robitaille and Mr. Richards. Mr. Purcell returned to his job as Director of Guidance.

Library

The library is a source of knowledge for both students and teachers. In addition to the large collection of books, there is a vertical file and a microfilm collection. Recorded on microfilm are many issues of magazines. Also, the library collects over 100 different magazines and five daily newspapers.

This year, another porta-punch has been made available in the library to students who want to punch cards to be run through the computers. A copying machine is another addition. For ten cents a copy, a page from a book or magazine may be reproduced.

The high quality of source materials available in our library and the expert assistance of the staff make it a valuable study center.

Miss Dolores Ropke, Department Chairman, Honor Society Advisor

Mrs. Jeanette Wilson, Assistant Librarian

Mrs. Mary Bosworth, Library Clerk

Miss Ropke learns to run the copying machine.

Mrs. Louise Adams, Secretary

Health

Mrs. Dorothy Jenner, Nurse

Mrs. Barbara Gearhardt, Secretary

Whether in sickness or in health, a student is welcome in the health office. Mrs. Jenner, the nurse and friend to all, is always glad to see a student. Every year eyes and ears are checked and special physicals are given to boys in the sports programs.

This year, Mrs. Gearhardt joined the staff as a secretary. Mrs. Gearhardt's and Mrs. Jenner's cheerful greetings make being sick a little less painful.

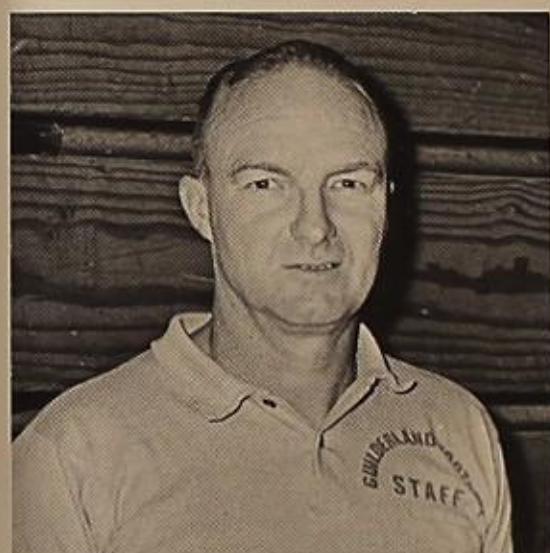

Physical Education

Mrs. Shirley Tetreault, Intramurals, Varsity Cheerleading Advisor

Mr. Frederick Field, Department Chairman, Varsity Baseball Coach

Mr. Harold Kenyon, Varsity Football Coach

Mr. Herman Wyld, Varsity Wrestling Coach

Mr. William McEvoy, Varsity Basketball Coach

Guilderland Central's gym program enables each student to attain a high level of physical fitness. Besides our bi-weekly gym classes, the students are offered a number of outside activities. The whole student body is given a chance to compete in intramural sports. The boys are offered positions on a variety of team sports such as football, soccer, basketball, baseball, wrestling, and track. The girls participate in such sports as basketball, field hockey, volleyball, and bowling. The gym teachers help to promote a feeling of sportsmanship among all students. Our Physical Education Department strives to help each student achieve a sound body as well as a sound mind.

Mrs. Sylvia Therriault, Intramurals, Girl's Bowling, J.V. Cheerleading Advisor

Foreign Language

Mr. Frank Cicero, Department Chairman, Spanish 12AR, 10AR

The goal of our Foreign Language Department is to bring faraway countries closer to the student. During the spring of 1969 the countries came a lot closer to many students at Guilderland. The Guilderland Central High School set a new precedent for future years as some students and teachers traveled to Spain and Russia. During the summer a group also toured Germany. For the spring of 1970, five trips are being planned to Spain, France, Germany, Italy, and the British Isles. The opportunity for students to apply a practical use of their years of learning a language has now arrived. The Guilderland Foreign Language Department has done a fantastic job of bringing these foreign countries closer to the students. With these ideas of traveling to the countries, the students now have a good reason to try and understand the language and its country.

Miss Lynn Vanderzee, Spanish 1, 2, Latin 1, 2, 3, 4

Mrs. Janice Zebrowski, French 1, 11R

Miss Wendy Coon, French 4, 11R, 11AR, Spanish 10R

Mrs. Anita Richards, German 1, 2, 3, 4

Mr. George Laribee, French 2, 3

Foreign Language

Mrs. Karen Aumick, Russian 1, 2, 3, Russian Hist.

Miss Nancy Ryan, Span. 3, 1OR, 10AR, 12R

Driver Education is a very useful course to all future drivers. The course taught at our school is a combination of inside classroom instruction and actual driving practice. In the classroom, the students learn traffic laws and good driving habits through the use of books, movies, and lectures. The student is taught driving skills and the courtesies of a good driver. He is then able to put this knowledge into use under the direction of a skilled instructor. It is hoped that the knowledge gained in Driver Education will stay with the student for all of his driving years.

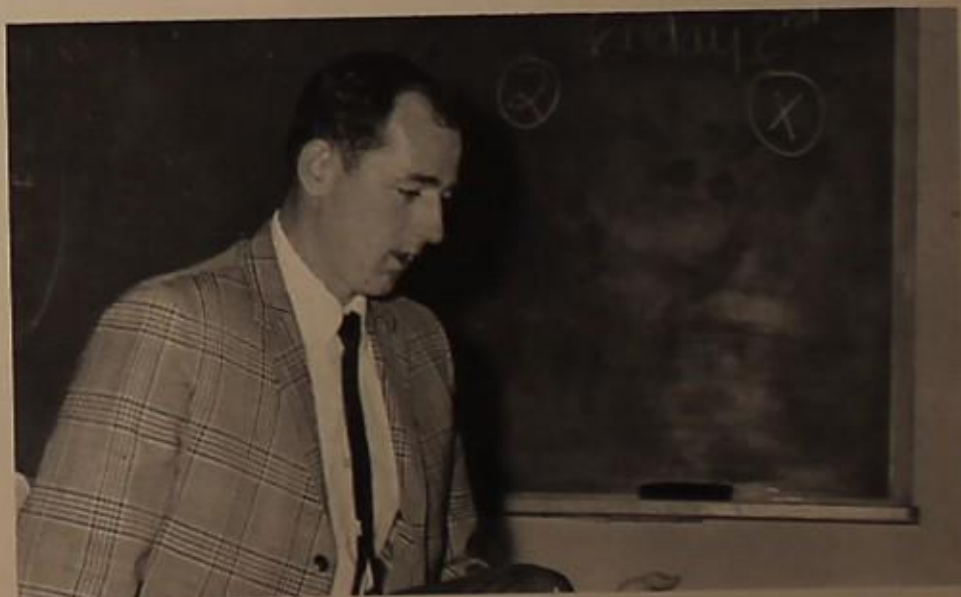

Driver Education

Mr. John T. Ryan, Department Chairman, Driver Ed., Safety Ed.

Mr. Richard Bell, Driver Ed.

Mr. Wayne Goodnow, Driver Ed.

Home Economics

The Home Economics Department offers many courses to help girls prepare themselves for their futures. Because these courses are so varied, each girl is provided with the opportunity to pick a course which she feels will enrich her future life as a homemaker. There are lessons in health, grooming, child development, safety, sewing, and cooking. The girls are not only taught to prepare themselves for today's needs but tomorrow's as well.

Miss Linda Condon, Home Ec. I, Advanced Foods, Housing

Miss Kathleen Williamson, Home Ec. II, III, Advanced Clothing

Mrs. Mary Alice Ryan, Department Chairman, SP

Miss Judith George, Child Development, Advanced Foods

Art

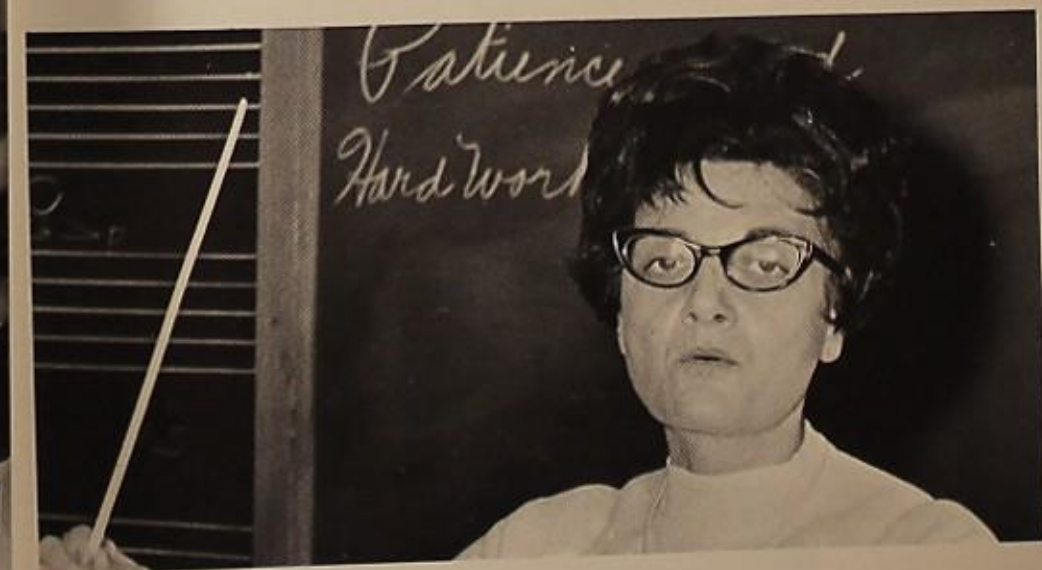

Mr. Arthur Jewell, Department Chairman, SP, Mechanical Drawing I, Adv. Crafts, Studio in Art

Mr. Theodore Vickery, Mechanical Drawing, I, II

Mr. Donald Webster, Lessons, Band

Mrs. Ruth McGowan, Lessons, Orchestra

Individualism is developed in each art student by the way he completes an assignment and by his own interest. Students are encouraged to use their talents to express themselves through the use of various artistic techniques. Because of the freedom of the student to create as he wishes, he is able to develop his own style.

Mr. Paul Krauss, Draw. & Paint., Studio in Art, Adv. Design, Crafts, Interior Design

Music

Classics . . . Jazz . . . Rock . . . whatever the type of music, there is probably one musical group in Guilderland performing one type at any given time. The orchestra, band, and choir are the musical groups available to any interested student. On an individual level, students may take instrumental or voice lessons. The Music Department at Guilderland encourages students to develop their musical talents.

Mr. Richard Wagner, Department Chairman, Music Theory, Choir

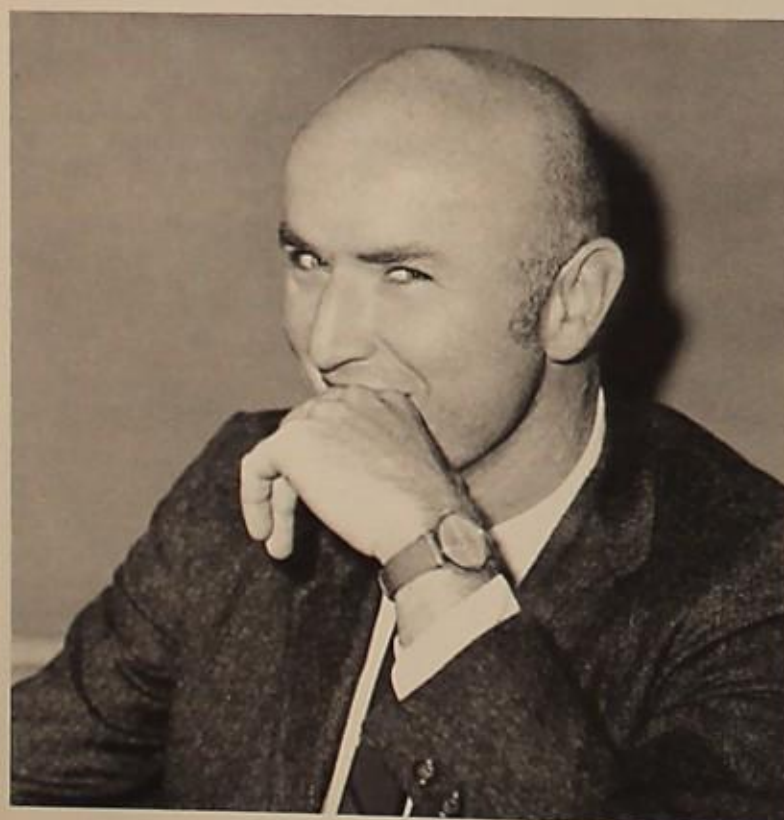

English

Mr. Woodrow Quinn, Department Chairman, Public Speaking

Miss Alice Comstock, 10R, 10NR

Mr. Hugh O'Connor, 11R, 11AR, Humanities, F.T.A. Advisor

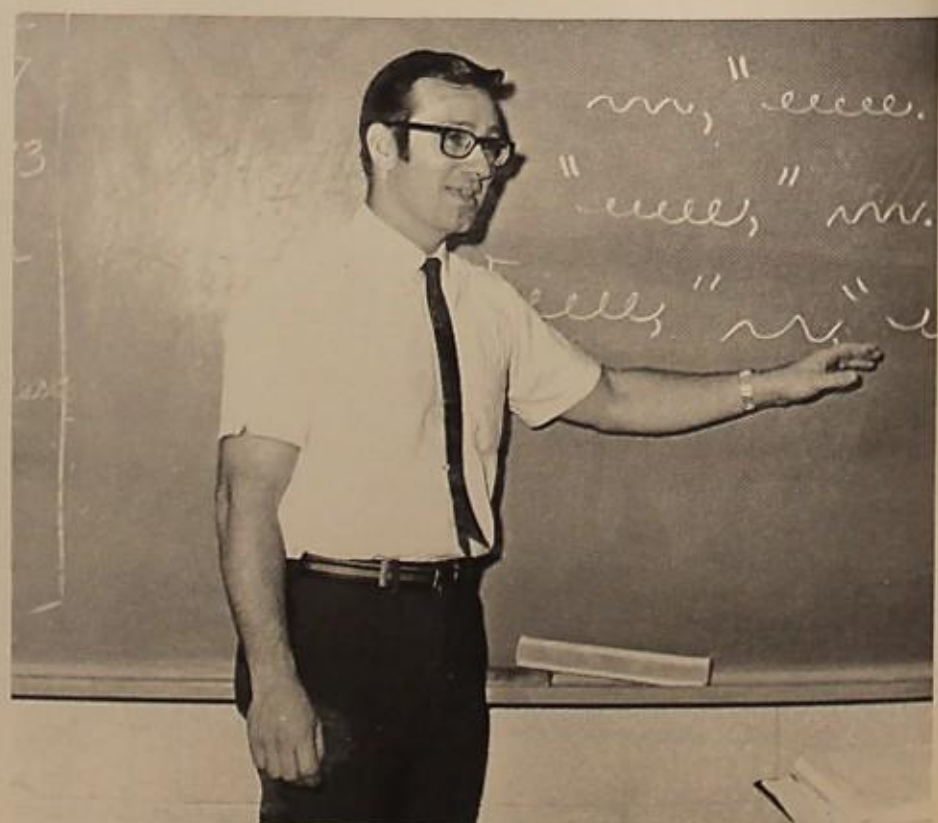

Through English courses, the student learns to express himself. The courses which a student studies throughout his school years gradually develop the student so that he is able to go out into the world as an individual. There are many electives offered and the student is able to choose as he pleases in his senior year. Specialized courses in literature, writing, and speech are available to the students. The goal of the English Department is to help each student express his ideas.

Mr. Frank Andreone, Department Chairman; Asian Studies, Problems of Democracy

Mr. John Hotaling, 10R, 11R, 11NR.

Mr. Danny Thomas, 10R, 10AR, Sociology, Sr. Class Advisor

To enrich the students' understanding of his fellow man is the primary goal of the History Department. The required courses of American and World History provide a general background of the forces influencing the world today. Upon completion, the student is prepared for specialized study. Courses such as Asian Studies, Problems of Democracy, Sociology, Political Science, and Communism delve into the intricate workings of our social system. Through the evaluation of current events the students develop a genuine concern for the problems facing mankind. The entrance of these informed and aroused students into society will hopefully improve the world for future generations.

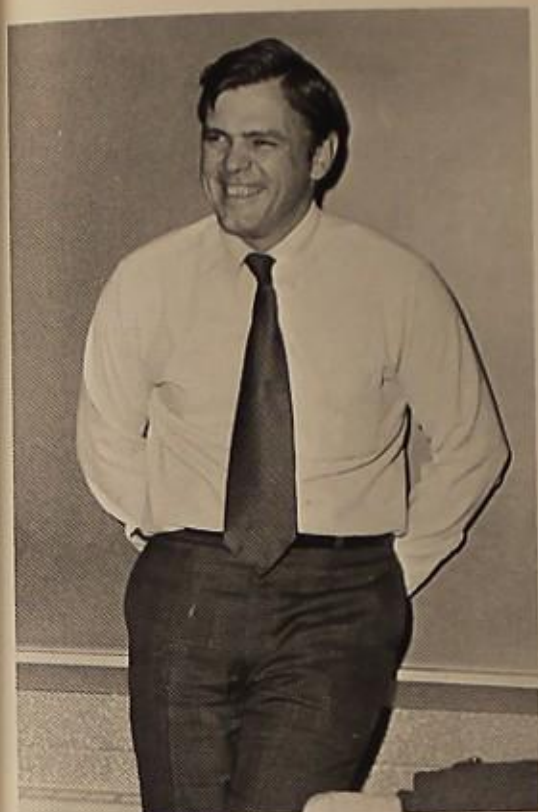

Mr. Robert Drake, 11R, 11NR, Sociology, Jr. Class Advisor

Mr. John Yager, 10NR, Sociology, Communism

Science

Mr. Orson Dunham, Department Chairman, General Chemistry

Many fascinating discoveries about our world are being made each day, so it has become necessary for everyone to possess an understanding of science. Here at Guilderland each student is offered a variety of courses which will provide him with a basic knowledge

Mrs. Minette Munson, Biology

of science. Studies in Biology, Chemistry, and Physics are offered, all with lab work. During weekly lab sessions, each student is able to express an independence and individuality in his work. The courses are designed to make each student more aware of his environment.

Business Education

Mr. Robert Steenburgh, Department Chairman, Typewriting, Business Arithmetic

In order to prepare for employment after high school many students take business courses such as Typing, Shorthand, Retailing, and Business Arithmetic. They are able to practice their skills not only in the Office Practice course but also by working in the school offices. After high school, a business student has a strong background that enables him to find a good job.

Mr. Michael Dorgan, 10, 11, Int. Alg.

Mr. Steven Basinait, 10, 11, Soph. Class Advisor

Each student has an opportunity to gain insight into the world of Math. Each student is able to fulfill his individual challenge by the many different courses offered by the Math Department. In addition to Trigonometry, Geometry, Advanced Algebra, and Calculus, a Computer Mathematics course was added this year as a half year elective for those students interested in learning about programming and running a computer. The Math Department provides a sturdy foundation on which to base further studies.

Industrial Arts

The boys involved in the Industrial Arts program learn how to repair cars, build radios, and work with electricity. The knowledge obtained from these courses is valuable for use many years after graduation.

Mr. Richard Palmatier, Power Mechanics, Auto. Serv., Trans. II, Graph. Arts

Mr. Donald Kline, Woodworking, Photography, Graph. Arts

Mr. Neil Van DeCarr, Metals I, II

Mr. Robert Cacchillo, Electricity, Electronics, Shop Math

Special Education

Mr. Anthony Cardinal, Special Education

The Special Education class strives to prepare these students for a better life. Under the direction of Mr. Cardinal the students are taught basic skills which they will use in their future lives. They also learn Home Economics and Industrial Art skills. The students in this program help our school by working in the cafeterias during the lunch periods. From their experiences in school, the students will be able to lead a normal life.

Underclassmen

The Juniors at G.C.H.S.

Class Officers: Judi Murphy, Vice-President; Mark Garno, President; Sue Benjamin, Treasurer; Melissa Hale, Secretary.

Under the capable guidance of Mr. Robert Drake, the Class of 1971 has taken an active part in the academic and social atmosphere at Guilderland. Motivation was primarily due to their hopes for sufficient funds needed for proms and class projects. Early attempts proved to be very satisfying. The annual magazine sale reaped \$1,600. Along with their growing treasury, class members devoted time and effort to the successful production of their Junior Prom.

The Junior Class was more than just a group of students; they were energetic, creative, young people. Excelling in all aspects of school life, from athletics to scholarship, they were a valuable addition to Guilderland's student body. Through their activities they formed lasting friendships and gained priceless knowledge.

In their final year at Guilderland, these students will undergo added pressures as they near the final stages of their plans for the future. Whether it be a continuance of their formal education, entrance into the service, or participation in a specific job, we all wish them a lifetime of happiness and success.

The student union, or "commons area", has now completed its second year of existence. Although there have been minor problems such as littering and occasional rough-housing, the new innovation has allowed the students who have a free period a better chance to relax. Gone are the days of the tight-lipped teachers who patrolled the silent study halls. Now, even the teachers who are on duty are able to loosen up and converse with the students on a most informal basis. For those students who do wish to study in silence, the "senior-cafeteria" serves as a true "study hall." The vending machines, sponsored by student council and honor society, give the students the opportunity to have a snack at any time of the day. The success of the student union has relied on the responsibility of the students, and apparently they have accepted this challenge.

last year with optimism.

"The Thinker"

"Karen, keep your eyes on your books and they won't know we're talking."

Although the value of a system such as "Senior Monitors" has been questioned from time to time, the Class of '70 chose to continue with the idea. A group of seniors was selected from the class and then given the responsibility of issuing passes and keeping order in the lunch rooms and corridors. The system proved to be successful as the monitors were delegated the authority which had previously been reserved for the faculty. When the problem of vandalism in the restrooms was plaguing the school, it was the senior monitors and student Council members who were asked by Mr. Ciaccio to offer a solution to the problem. The monitors also aided Student Council in the unsuccessful attempt to obtain a smoking room.

The Sophomores

Class Officers: Sharon Murphy—Secretary; Mo Hall—Vice-President; Pat Sano—President.

CLASS OF '72

As the last class to enter the Senior High School, the Class of 1972 began this year with an unusual amount of self-confidence, ambition, and enthusiasm. The traditional sophomore candy sale was a success, adding over \$1,300 to the class treasury. New and different prizes were offered for incentives.

The sophomores showed themselves to be an integral part of the student life at Guilderland. They actively supported and took part in Student functions, especially the musical, "Bye Bye Birdie." Many of the sophomores contributed to the outstanding success of the athletic teams, especially the J.V. Basketball team and the J.V. Football team, and a few participated on the Varsity squads.

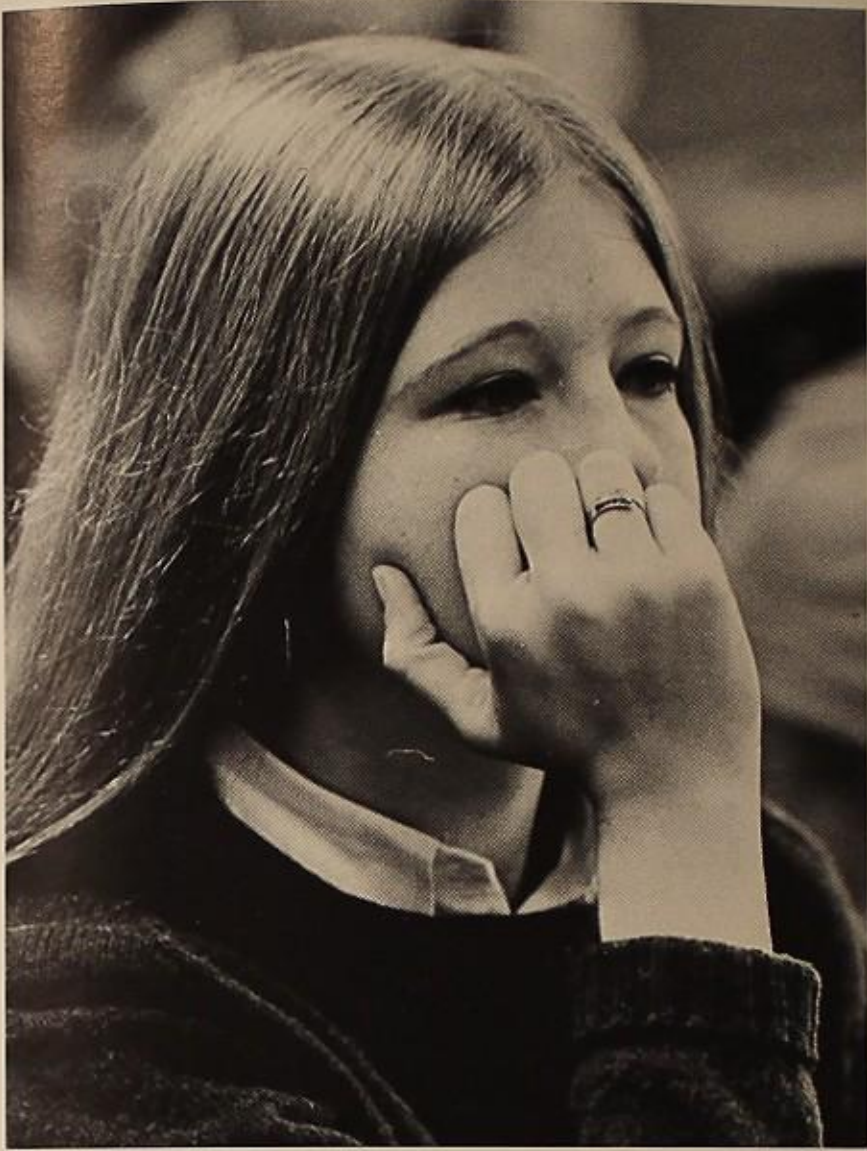

The sophomores have adjusted well to the rigorous senior high life and are looking forward to their junior year when they will begin to look at colleges and make plans for their future.

The sophomore class extends the best of luck to the members of the graduating class and it also hopes to set new patterns for the freshman class to follow.

Upon arriving at school for the first time in September of 1969, the students of Guilderland found that the 100 wing, classrooms included, had been covered with a bright blue carpet. The rug offered several advantages. Since many of the tiles in that wing needed replacement, it was decided that, in the long run, carpeting the floors would save money. This also solved the cleaning problems. The best advantage was experienced by the students themselves. The carpet added a touch of comfort to the classrooms. The enthusiasm shown by the students has raised the question, "How long before the entire school will be carpeted?"

Bob Campbell finds the rug more comfortable than a desk.

The 1969 Varsity Football Season will be best remembered as the year when a little good fortune in the direction of the Dutchmen could very well have produced a championship team. The team finished 4-4, winning the last three in a row. All four losses were by a touchdown or less, and one more touchdown in three of the games would have captured the title, as three teams finished top with 6-2 records.

Tough luck struck the "Big Red" team before the season officially opened, as one of the co-captains suffered a broken wrist. The team battled valiantly in every game, and played the best defense ever shown by Guilderland teams throughout the year.

With the team refusing to quit, even when the team was one and four at one point, they won the last three games, with the climax of the season coming in the final contest with the stunning upset of Bethlehem. The great team effort and tremendous

performance has to be listed as the best game played by a Guilderland team that can be remembered. It has to be football's finest hour for the Dutchman.

The seniors of this year's squad were not strong in number but they turned in fine efforts. Many juniors gained valuable starting experience, and reserve playing time, which will go a long way in aiding the team next Fall in its drive for the coveted Suburban Council Championship.

The Junior Varsity Football team started the year off losing two of its first three games, and then went undefeated the rest of the season to amass a 5-2-1 record.

The squad displayed excellent team play, and kept pace with the Varsity by playing outstanding defense throughout the year and posted three shut-outs. Many promising candidates from the squad will make valuable contributions to the Varsity next Fall.

At the start of the 1969 Suburban Council soccer season most people felt Guilderland's chances were good to repeat as champions. The Dutchmen only lost three starters from last year's championship team, and its fine defensive unit was still intact. However, the season turned out to be a heartbreaking one for Guilderland.

In the season's opener the Booters traveled to Burnt Hills. The team put together a fine game and came up with a decisive 4-1 triumph. This was followed by two more big wins over newcomer Shenendehowa and Columbia. The Dutchmen then faced Shaker who was also unbeaten. Shaker was completely outplayed by the Redmen and shut out by goalie Bo Longood and fullbacks Dick Lustenhower, Harry Baumes and Tom Hornbach. The final score was 4-0.

Arch rival Mohonasen was next on the list. Both teams were undefeated and a hard fought game was assured. The Warriors, however, came away with a 5-4 victory, despite Tim Playford's outstanding two goal performance. The loss put the Dutchmen in second place in the Council. They would have to have their record perfect for a shot at the title.

The Booters bounced back from the loss to put together a string of six wins, including an 8-3 rout of Niskayuna behind Bo Longood's two goals. A big home stand against Mohonasen was next. A Dutchmen win meant a tie for the Council lead. The Dutch-

men dropped a 2-0 decision to the Warriors. Following the Mohonasen game the Booters were tagged with two heart breaking losses, a controversial 1-0 loss to Bethlehem and another 1-0 loss to Scotia.

Guilderland finished in second place in the Council and earned a spot in the sectionals. Guilderland had been held scoreless in three games and would face a dangerous Shaker squad first. Coach Snyder got the team ready for this one and the scoreless streak was broken on goals by Jim Jacob and Bo Longood. A last minute save of a hard shot by Bob Hanrahan gave a 2-1 victory. The next Sectional foe was Scotia. Both teams kept each other in check until in the fourth quarter Arn Armstrong and Dave McKenney teamed up for the game's only tally and a 1-0 victory for the Booters. The final game to be held at Albany State was against Mohonasen. The Warriors got off to an early 2-0 lead but in the fourth quarter the Dutchmen began to rally behind Tim Playford and John Chakmakas. Time ran out before Guilderland could tie it up and Mohonasen won the Section Two crown by a 2-1 margin.

The Dutchmen won no titles this year, but provided their fans with a lot of exciting soccer. Coach Snyder will attempt to gain the championship next year by putting together another fine team. One that shows team work and hustle of the ones preceding it.

In a season hampered by injuries and illness, the 1969-70 basketball team gave up their hope of winning the Suburban Council championship, and settled with fourth place, which earned them the opportunity to compete in the Sectionals, never before done by a Guilderland team.

The year started out to be a promising one, but for a variety of reasons, never fully materialized. One of the basic reasons was poor shooting from the foul line. Another contributing factor was the inability of the team to beat Scotia, which has never been done since the Tartans joined the Suburban Council three years ago. The cagers were also hit early in the season with injuries. Senior Mike Fouhy took almost half of the season to get back to normal from his leg injury and sophomore Geoff Broom took six games to develop his full strength. In addition, George Murphy never fully recuperated from a knee operation, and Kevin Legg came down with mononeucleosis after the first game.

In spite of the odds, the Dutchmen were considered to have the best defense in the Suburban Council, although the offense never jelled. Coach McEvoy

felt that the team wasn't really together until the end, that the first fifteen games seemed meaningless, the last three meant everything. Of the seven games which were lost, six were lost by only six points or less, both Shaker and Colonie were victorious by only three points.

Outstanding performances were put out by the entire team, especially senior Tim Playford, who finally fulfilled what was expected of him later in the season. Juniors Mark Crook and Jim Paolucci were also outstanding players.

Unfortunately, the true potential of Dave ("Wally Wonder") Porter wasn't fully realized until the final game of the season, which saw the Dutchmen defeat the number one team in the Council, Colonie. This game definitely has to be considered the high point of the season, especially considering four of the usual starters were unable to play.

Records were broken this season, but next year's should be even better. The returning Varsity members and the J.V. players, who clinched the Suburban Council championship under Coach Seaman should have a very successful season.

The Dutchmen grapplers became number one in the 1969-'70 season. Captained by Ed Belles and Section II Champion John Chakmakas, coached by the newly formed "Girl's Wrestling Pep Club," the team recorded a 12-1 dual match season, and first places at the Suburban Council Tournament and the Webster Invitational Tournament.

All through the month of November, with the temperature turned up to 90°, the team practiced and drilled until it was felt that they were ready to challenge two of the best wrestling teams in upstate New York—Queensbury, and Glens Falls.

On December 6th, the team conquered Queensbury in a 22-20 cliff-hanger, and did the same to Glens Falls the following week 25-21.

Over Christmas vacation the team traveled to Rochester, where it took first place in the Webster Holiday Tournament. John Chakmakas placed first, and received the "Most Valuable Wrestler" Award.

Now ruling the north and the west, the team began to work on the Suburban Council. All through January the winning continued. However, on February 7th, the Dutchmen traveled to the Cobleskill Agricultural and Technical Tournament. Here the team placed only second among the eight schools present. There were some bright spots when Mike Campisi, John Chakmakas, Ed Belles,

and Dave Davenport placed first. Once again, John Chakmakas received the "Best Wrestler" Award.

When the grapplers returned, there were still two Suburban Council teams to be beaten. They cleaned up Burnt Hills with no problems, 32-12. However, undefeated Niskayuna beat the Dutchmen, 25-17.

After this defeat, the Dutchmen had one more chance. On February 21, the team took first place at the Suburban Council Wrestling Tournament. John Chakmakas and Ed Belles took first places, while Mike Campisi, Bob Davis, Eric Bratt, and Barry Hans placed second.

The J.V. grapplers, under the direction of Coach Belcer, became Suburban Council Champions with a record of 12-1 in dual matches. The team also swept the Suburban Council J.V. Tournament with six first places.

Mention should also be made of the "Gungees." Although these boys didn't get a chance to wrestle in regular matches, they proved very tough and valuable as practice opponents.

With all but four of the Varsity team returning, and many promising wrestlers among the J.V.'s and "Gungees," the team looks forward to another successful season next year.

Enjoying its best season ever while competing in the tri-county Indoor League, the 1970 Indoor Track Team was fortunate to have many fine performers.

Bryan Donley established new school records in both the 60 yard high and the 60 yard low hurdles. Dave Doak dominated both the 600 yard and 1,000 yard runs for Guilderland and in so doing established new school Indoor records in both of these events as well as finding time to break teammate Joe Riley's school record for the one mile run. Another stellar performer for the Dutchmen was Carl Johnson, who

established a new school record in the two mile run and also finished second in that event in the league's championship meet. Bob Nilan was another consistent performer for Guilderland. He placed in every meet in the high jump and finished fourth in that event in the championship meet. Also earning medals for the Dutchmen in the championship meet were Jeff Favitta and Gary Johnson, second and fourth respectively in the 300 yard dash, Joe Riley, fifth in the one mile run and Dave Doak third in the 1,000 yard run.

Track is one of the few sports in which you get out of it what you put in. Last year's team worked hard and were absolute competitors. Every student who goes out for track is an important and intricate part of the structure referred to as a team. There are always certain students who win, or place but there is more to be said about the athlete who comes back the following year. Although he received no places, medal or mention in the paper, he is a true competitor.

The 1969 Track team was lucky in the fact that it had no few stand-outs but many, John Brittell, in the mile, Jim Murphy in the sprints, Jim O'Brien in the half-mile, Ron DeBenedetti in the pole vault and various other returnees were expected to win. However, the team had lost many place winners from the

previous year. The fabulous depth of the Dutchmen Track team eliminated any problem.

Surprising the team, such unheard of people as Dave Doak in the half mile, Bill Batzinger, and Carl Johnson in the 2 mile, John White, Jeff Favitta in the quarter mile, Joe Riley in the mile and 2 mile, Bob Davis, hurdles and pole vaults, and numerous more were starting to pressure the leaders, and in some cases actually beating the favored competitors of their team.

This fact caused the team to work harder. Wherever the team went they were respected and known to be hard competition due to their high quality of competitors.

Tawasentha Park became the new home course for the 1969 Cross Country team, and was soon known throughout the area as one of the toughest to run. Yet the Dutchmen showed their will and determination as they went on to a final dual record of eight wins and four losses, which stands as the best Cross Country record since Mr. Drake became coach four years ago.

The season began with a weekend retreat at Camp Fowler, which was followed by a season of thirteen meets. These included the Proctor Invitational in Utica, where the team placed eleventh in a field of thirty-eight and the Cobleskill Invitational, where the Big Red came in fourth place out of eleven contenders. As the end of the season drew near, the team placed fifth in the Suburban Council, eighth in Albany County, and eighth at the Section II meet.

Outstanding performances were put out by Co-

captains Dave Doak and Joe Riley, with Doak usually coming in first place for the team, and also breaking previously set records at Amsterdam, and also at Tawasentha, against Columbia and Shenendehowa. Bob Nilan, Carl Johnson, Tom Kirwan, and Rich Hutton also proved to be consistently strong runners. Without the effort of the entire team, the '69 season would not have been one of the best Guilderland has ever seen.

The Junior Varsity team also deserves to be commended for their season. Their final dual record was nine victories and no defeats. In the Section II meet, the J.V. team came in fifth place out of twenty-one teams that competed.

With this year's J.V. team, and the returning Varsity members, next year should prove to be the best yet.

In its third year as a Varsity sport at Guilderland, gymnastics has joined the ranks of the other teams of which the school should be justly proud. In the short time that it has existed at Guilderland, gymnastics has grown rapidly in popularity.

The boys team was composed of almost entirely new members and competed against such teams as Colonie and Mont Pleasant. They compiled a 1-2 record and also at the end of the season took part in the sectionals held at Scotia-Glenville. The boys team is very young as Herb Armstrong is the only senior leaving. Guilderland can look forward to increased proficiency in the gymnastics team.

The girls teams were especially impressive this year. In spite of an ever increasing schedule of meets, the Varsity girls defeated all comers and near the end of the season had a 7-0 record. For the second year in a row, the Linton meet was the most exciting. Guilderland won by only a fraction of a point at the close of the last event. For the first time, this year the Varsity girls record indicates they won and the experience served to increase the appreciation of gymnastics at Guilderland.

Both the boys and the girls teams are looking forward to the increased space that the Middle School will provide. Practicing and competing at the High School will help to give the teams the sense of really belonging to the athletic department and of having the recognition of the student body.

For the first time since Guilderland has been a member of Section II the baseball team af '69 failed to go to the sectionals. The '69 season also marked another first for Coach Field's team when it failed to finish within the first four places.

Failing to gain a victory in its first three starts, visiting Bethlehem was the first of eight teams to be defeated by the big Red. It was the middle of the season before the team really started playing. A string of 4 victories enabled the team to battle for a Sectional spot, however, a loss to Bethlehem crushed the hopes for a Sectional spot.

The team's final record was 8 wins and 10 losses, which placed the team fifth in the Suburban Council.

Denny Pidgeon supplied the big bat for the Dutchmen last year, hitting well over .350. He will return again this year and will be a captain along with Gary

Lauver. Coach Field places a lot of faith in his captains and hopes that they'll help keep team morale high.

Coach Field also places a lot of faith in his pitching staff. Returning this year will be control artist Denny Pidgeon and hard throwing Harry Baumes. Helping with the mound this year will be Geoff Broom and John Kelch. Catching for these able pitchers will be hustling catcher Gary Lauver.

Infield duties will be shared by Mark Garno and Bill Cain (both will be up from last year's J.V. squad), Denny Pidgeon, Harry Baumes, John Kelch and Rick Berschwinger. Seen in the outfield will be Ed Belles, John Green, Dave Berschwinger and Mike Robinson.

The 1970 season could prove to be one of Guilderland's best seasons and the yearbook staff wishes Coach Field and his team the best of luck.

Promoting the ideas of competition and good sportsmanship, the Girls Athletic Association is a fine example of both of these qualities. The development of these qualities along with the ability to get along with people will be a value for the rest of their lives.

As usual, the J.V. and Varsity cheerleading squads were chosen in April, 1969. Practice continued through the spring and summer so they would be ready for the football games when school started. For the basketball season an alternate, Adrienne DiLaura, was chosen and ultimately became a permanent cheerleader. These girls not only give a boost to the team but enjoy themselves while they are doing it.

Funny how my memory skips
 Looking over manuscripts
 Of unpublished rhyme.

 And the sky is a hazy shade of winter.

Yearbook reveals

Ginger Secor, Assistant Editor

The Production of the 1970 "TAWASENTHAN" began in May of 1969 when the staff was chosen. Sectionheads had the entire summer to mull over the job that lay ahead. Even the most pessimistic of the group was unaware of all of the headaches involved in the completion of their individual sections. At the Columbia University Scholastic Press Association Conference, the Sectionheads, Assistant Editor, and Editor attended lectures dealing with yearbook production. Here they learned that good pictures, interesting copy and captions, and a unique theme are vital ingredients for a memorable book.

As Theme Sectionhead, Terrie Burda utilized this experience in devising a theme, "A Time of Change," to unite the book. She chose lyrics from contemporary music such as Paul Simon's "Bookends Theme" and "Turn, turn, turn." Barb Merrihew bounced back from a bout with tonsillitis to complete the Faculty Section just in time for a December deadline. Certain irresponsible seniors were delinquent in having their pictures taken which held up the completion of Nancy Campbell's Senior Section. Optimistic Diane Elze left all of the typing for the Underclassmen Section until the last day. Luckily, she finished in time. Although Harry Baumes, Sports Sectionhead, forgot to have Cross Country pictures taken, Mr. Drake came to

the rescue with photos that he had taken himself. Cathy Boyle finally managed to straighten out the Activities Section after the page order was changed countless times. Many businessmen in the area were reluctant to buy advertisements for the book. However, Ginger Carl managed to persuade them into helping defray the cost of the "TAWASENTHAN." All of the sales were handled by Carol Beeler, the Business Manager. Every fifth period, Carol faithfully deposited the day's profit (just so that she could get out of Chemistry class). Ginger Secor, Assistant Editor, and Mr. Jewell, Advisor, stood by to calm me whenever a major crisis arose. And somehow there was always a solution.

I would like to thank all of the typists and croppers who stayed ninth periods and gave up Saturdays to work. All of those that helped to create the 1970 "TAWASENTHAN" can have the satisfaction of knowing that they have helped to preserve the good times and the bad times of our years of change. The pictures in this book will stir up memories of friends that we may lose contacts with or even forget. Hopefully, this yearbook will bring reminders of our days together.

The primary objective of the Future Teachers of America Club is to provide those people interested in teaching as a career with some insight into what it means to be a teacher and, where possible, to provide some degree of actual teaching experience.

F.T.A. members are actively involved as helpers in the Guilderland Elementary Schools where, for about ninety minutes, they work with regular teachers performing a variety of tasks.

Those F.T.A. members not involved in the elementary school "help" program, are involved in a similar way in the Junior and Senior High Schools. These students provide remedial assistance to individuals, correct papers, work with groups during and after school on special projects, and under the supervision of a regular teacher, have actually taught regular classes.

Other F.T.A. activities are similarly designed to achieve the club's primary objective. A field trip by bus to the new Schenectady Community College was a lot of fun and provided valuable insight into the whole community college concept.

Mr. Heitkamp was the first of a number of teachers from our own school system who spoke to the club during the year on a teaching-related subject. F.T.A. activities during American Education Week have included presenting the library with a new dictionary and the guidance department with a volume of statistics concerning every college in the United States.

As the medium of the school community, the Journal is the unique organization which unites the student body through its monthly issues.

By informing the individual students about people and activities that they would otherwise have been unaware of, the Journal encompasses all groups and interests.

This year, the Journal created an Editorial Board composed of students from all three grades, the Journal staff, and the journalism classes. In this way, editorial policies were well discussed before they were decided upon. The Editorial Board also selected articles written by the journalism classes for publication. Thus, the Journal's high quality of writing is maintained by students who are skilled in newswriting and reporting techniques.

The Journal's advisor is Mrs. Rothstein. Her guidance has been a very important asset to the production of our school newspaper, the Guilderland Journal.

The number of subscriptions to Journal has multiplied this past year. In order for Journal to be a force for the student body, the support of the entire school is needed.

This year has truly been one of the best in the history of Guilderland's Student Council. Under the efficient leadership of its officers, Pres. Paul Cowley; V.P. Sue Naginey; Secretary Kathy Sebast; Corresponding Sec. Sharon Hamm; and Treasurer Ken LeVine; the council had an exceptionally productive year.

This year, Guilderland students saw the reactivation of the Student Union, which was quite successful; we also continued the exchange of students between our Suburban Council schools. Early in January, several Council members and other students presented the Board with a proposal for a student smoking lounge. Even though the idea was rejected by the Board, at least it was a sincere, student-initiated effort to improve the conditions in school with regard to the increased vandalism we witnessed this year. Even if Student Council didn't achieve a smoking lounge it did succeed in making the Christmas holidays enjoyable for many needy families by collecting foods for their holiday dinner.

Because of its Russian Language program and reputation for welcoming foreign guests, Guilderland High School was chosen by the state department to host four Russian visitors in the fall. There was a Soviet Minister of Education, a Deputy Chief Administrator from Moscow, an English teacher, and an interpreter. Student guides from Russian 3 and 4 took the visitors to Russian classes and any others they chose to observe. A luncheon consisting of Russian and American foods was served to the Russian visitors as a conclusion of their tour through an American high school.

The Guilderland Chapter of the Senior National Honor Society began a new era in September of 1969 under the progressive leadership of new officers and a new advisor, Miss Ropke.

Honor Society activities during the year included the annual Hootenany, a planned program of the exchange of students in the Suburban Council schools, several bake sales and a field trip to Boston.

Inductions of new sophomore and junior members were held in the spring and as a result, this year Honor Society had one of the largest memberships in the history of Guilderland.

Guilderland's Honor Society continues to uphold and promote the tradition of scholastic excellence at G.C.H.S.

Sceptre Service is a Guilderland Central High School girls service organization. New members are chosen by those already in the club. This year's applicants helped to make the annual Homecoming activities on October 18 successful. Each applicant was assigned to a big sister who helped her become better acquainted with the other members.

With Mrs. Harrington as advisor, Sceptre Service started some new projects this year. An orphan was adopted through the Christian Children's Fund and dolls were dressed at Christmas time for needy children. The first Mid-Winter Ball was held January 31, at the Pine Haven Country Club.

Sceptre held its annual Slave Sale this past winter. The girls were auctioned off to the highest bidder and for two days had to fulfill any reasonable request of their master. In the spring the girls dressed up in attention getting outfits to collect money for the benefit of the foreign exchange student program. Sceptre took care of banking procedures, served at school banquets and ushered at school functions.

It sponsors toy drives, dances and the annual Talent Show. Other services, such as ushering at concerts, serving at banquets, providing Air Raid Wardens, and joining with area Key Clubs in an effort to better the community are still more services rendered by Key Club. Senior Monitors and A.V.

Senior Monitors

The Class of 1970 had many new privileges. However, we also faced numerous responsibilities which were essential to the maintenance of these new-found privileges.

Not the least of those responsibilities was the formation of a group of Seniors who would act as monitors of all students during study halls, free periods, and all lunch periods. Some students made it rather difficult for the monitors to perform their duties, but the class as a whole overcame these difficulties to retain its privileges.

AV Club

Audio visual equipment is an important aspect of modern education. A.V. club members are responsible for the movie projectors, tape recorders, and record players used by teachers as supplements to classroom lectures. A.V. members have the added privilege of spending free periods in the storage room listening to records.

FCA and Leadership

Leadership Club

Any boy who has earned a varsity letter in any sport may become a membership of Leadership Club. Their main interests are the promotion and encouragement of sports in the school. They officiate at intramurals and meet officials at basketball and football games.

F.C.A. members spend many hours in efforts to raise money for the purchase of equipment for all sporting events at Guilderland.

We owe these dedicated students many thanks and much credit for their large contributions to Guilderland.

FCA

The membership of the Fellowship of Christian Athletes averages around twenty-five young men. Self-improvement both morally and physically is the goal for F.C.A. members.

Sponsored by the State University at Albany, Guilderland's F.C.A. is only a small branch of a statewide organization. Its bimonthly meeting might consist of a discussion period before some swimming or a short basketball game.

Bottom Row: B. Boynton, M. Campisi, C. Handy, B. Hildreth, D. Lennonger, J. Paolucci, H. Armstrong. Row 2: M. Safford, D. Lustenhower, H. Baumes, J. Brainard, J. Jacobs, S. Springer, J. Bennison, T. Latin Club

Bottom Row: M. Parker, B. Lavoie, N. Smith. Row 2: R. Hoffman, V. Riley, K. Johnson, J. Kenna. Top Row: B. Voorhees, B. Rector.

Guilderland seems to be almost overflowing with new clubs this year, not the least important of which is Latin Club. This club includes Latin students from both the Junior and Senior High Schools who share one main interest: that is the study of Latin, as a language, its history, its present and its future importance in an age where many people feel it is a dead language. These interested students spend many hours proving (perhaps unconsciously), how interesting the study of Latin can be.

Spanish Club

Another newcomer among the language clubs this year was Spanish Club. Interest in forming a club, was aroused by students who went to Spain last spring with Senor Cicero. Spanish club members learn not only about Spanish cuisine, but also many new, interesting facts of Spanish history and cultural traditions; in addition to old Spanish folk songs and ballads.

Bottom Row: L. Walters, D. Ronan, B. Kline, D. Warren, C. DuBois, R. Hastings, N. Campbell, B. Macali, K. Hynes. Row 2: J. Nitzky, M. Nardella, E. Giallanardo, M. Havern, S. McCracken, S. Durgerian, A. Dean, L. Younker, L. Rudinski.

French Club

With the help of its very capable officers, Mary Lou Brehm, Pres., Anne Stuart, V. P., Liz Taylor, Secretary, French Club has joined the ranks of permanent clubs at GCHS. In addition to bake sales and candy drives, the members of French Club joined other larger clubs in school in supporting Guilderland's first musical production, "Bye Bye Birdie", by selling tickets, donating money and promoting patrons of the play. Under the progressive leadership of both Miss Coon and Mrs. Zebrowski, the club again went to dinner in a famous French restaurant and planned a fantastic trip to Montreal in the spring. In short, French club had a very good, productive year in every way.

German Club

A. Thiele, R. Schultz, C. Kail and P. Zampol.

Under the guidance of its advisor, Mrs. Richards, and the direction of its officers, Roberta Schultz, Pres.; Chris Kail, V.P.; and the cooperation of all its members the German Club embarked on an adventure filled trip to Germany in early April this year. This was the club's major accomplishment although it was supported by several smaller efforts at helping to defray some of the costs to the students by means of bakesales, carwashes and its annual Ocktoberfest.

Debate and Human Relations

Debate Club

The Debate Club is the only club in our school of its kind. Mr. Vacca, the advisor teaches the members some new twist or technique of debating at each meeting. The members of the club then engage in debates with Debate Clubs of other Suburban Council schools in competition for various prizes and trophies.

Debate Club Officers: Ralph Samuelson, Charlie Hitchcock, Dave Button.

Human Relations Club

The Human Relations Club is a new organization at Guilderland High School that was formed by a group of concerned students. Activities range from Viet Nam Moratorium organization to fund raising activities. The appearance of such an organization reflects the growth of the awareness of young people today.

Human Relations Club Officers: Peggy Ryan and Tom Capuano.

Bowling and Folk Club

Bowling Club

The girls in the bowling club go to Westlawn Bowling Lanes once a week after school. Each girl is on a team which strives to attain the highest score. At the end of the bowling season, awards are given to the girl who had the high single, the highest average, the highest triple, and to the team that proved to be the best.

Girls Bowling Club Officers: Deidre Powe and Kathy Sebast.

Folk Club Officers: Ruth Schaible, Carol Schell, Linda Sengenberger, and Rita VanDenberg.

Folk Club

This is Guilderland's newest club, having been founded in late November. This year when the club had a meeting once every two weeks in the L.G.I. room, ballads could be heard loud and clear. This club provides a relaxing time for those who just want to sit and listen to something other than the noise of people in the halls, of students complaining or even of the silence in a library or classroom. This club should be around Guilderland for a long time to come.

Announcers and Assistants

P.A. Announcers Cathy Boyle and Wayne Shealey.

PA Announcers

Dan Frinta, Wayne Shealey, and Cathy Boyle are the student P.A. announcers. It is their daily duty to present us with information concerning schedules of meetings, upcoming social events, and a running account of soccer, basketball, track, and wrestling scores. They are responsible for keeping us well-informed of Guilderland activities.

Library Assistants

The library assistants are girls who have devoted their free time to working in the library. They sign passes, shelve books and collect fines for overdue books. With their help, Miss Ropke is able to fulfill her numerous responsibilities as our librarian.

Library Assistants: Row One: S. Larson, T. Dagostino, L. Ausfeld. Top Row: J. Peniazek, D. Moore, N. Bartkowski, P. Murray.

Choir and Orchestra

Choir Officers: V.P., Ruth Schiable, Sec., Diane Elze, Treas., Kathy McCullough, Pres., Tom Honan.

Choir

Under the direction of Mr. Richard Wagner the mixed choir at Guilderland has progressed through the 1969-70 season in fine style. The Winter and spring concerts highlighted the year and won praise for the entire group. The Choir also sent three members to the Allstate Choral Concert in the winter, representing Guilderland in this statewide concert.

Orchestra

Orchestra portrays the finer talents of the students at Guilderland High School. Throughout the school year its members present several small concerts and recitals and they also have an annual Christmas concert and a Spring Festival. At these last two occasions the concerts represent the combined forces of the orchestras of the Junior and Senior high schools and all of the elementary school orchestra.

Orchestra Officers: Liz Bauer and Paul Stankavich.

Majorettes and Band

Majorettes

Although it is only the second year for the majorettes at Guilderland, they are already an expected part of every home football game and special function. These girls have try-outs every spring and they practice several times weekly so that their routines will be perfect when they are presented publicly. These dedicated students deserve much more credit for all their long hours of practice and search for originality in their performances.

Top Row N. Blumenthal, K. Kelly, C. Clarke, J. Pienazek. Bottom Row: D. Kerns, K. Aumic, R. Ballschmeider.

Band

The Guilderland Band, for the first time, was separated into two groups—The Concert Band and a Voluntary Marching Band. The marching band, consisting of forty-five members (including the majorettes) presented three half time shows at our home football games and also participated in the annual "Band Day" at Cornell. Eighth and ninth graders were invited to join the marching band. What this group lacked in size was made up by their enthusiasm.

In addition to the regularly scheduled concerts held at our school, the concert band took part in an exchange program with another school in the state and another exchange concert with a Suburban Council Band. Many of our Bandsmen also participated in the first school musical, "Bye-Bye Birdie" which was presented in February.

The success of our annual Christmas Wreath Sale, our other fund drives, our trips, and the cooperation and assistance from the Band Booster Club, resulted in a busy and productive year.

Orchestra Officers: Row I: Bob Santorelli, Terry Martinetti. Row II: Linda Giovanangelo, Judy Yorio, Sue Todorov.

Ski and Drama Club

Joanne Collins, Janet Hiller, Larkin Rusch, Paul Cowley.

Ski Club

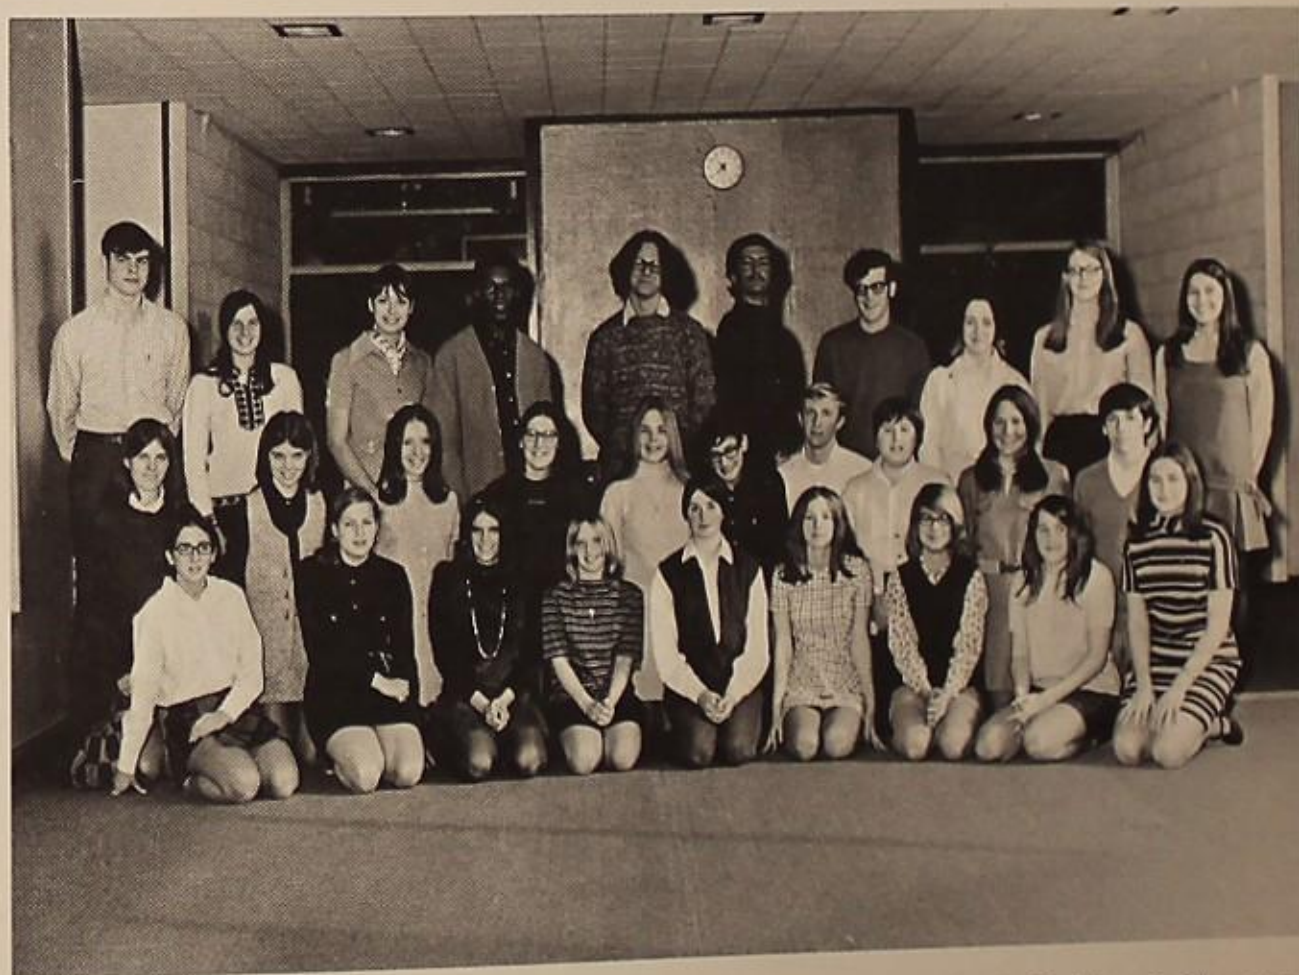

Skiing, among the students of Guilderland High School, has become one of the favorite winter sports. Ski Club offers the students the opportunity to ski at some of the finest ski resorts in this part of the country. During the year we had film programs explaining safety rules and demonstrating the correct style in which to ski.

The Ski Club has enjoyed another successful year due largely to the club's advisor, Mr. Burda. The officers of Ski Club have arranged trips, promoted an increase in the club's membership and, in short, have played an important role in making it one of the most popular clubs in Guilderland today.

Drama Club

Drama Club is one of the newer clubs in Guilderland. Because it is only the second year of Drama Club's official existence, the members had some trouble getting organized at first. But after a few minor initial setbacks, these ardent thespians rebounded with several original attempts at involving more of the student body in its numerous workshops and small, eighth period productions.

We feel certain that under the expert guidance of Mr. Warner, the club's advisor, Drama Club will, in the near future, soar to unequalled dramatic heights of excellence.

Drama Club: Bottom Row: M. Richards, D. Sokil, S. Dunham, P. Burns, P. Mock'er, J. Hampton, C. Smith, K. Broderick, R. Sansone. Row 2: J. Meyer, K. Haines, D. Wehr, J. Watson, D. Millington, R. Bye-Bye Birdie

The entire cast applauds Karen Ragotzkie and Tom Capuano.

Bye-Bye Birdie was many things to many people: To the audiences it was an evening's entertainment unique in the school's history. To the faculty members involved it was a chance to work together on something special.

To the cast, orchestra and staff it was a once-in-a-lifetime experience — a time of play and hard work, of criticism and applause, of tears and laughter.

Bye-Bye Birdie was more than a musical.

Quodian

Bottom Row: S. McCoy, S. Larson, K. Moone, R. Sansone. Second Row: L. Hailes, K. Stout, N. Myren, L. Berberick, P. St. John, M. Hale.

The Quodian is the literary magazine published by those people who have a special interest in collecting, selecting, and printing the poems, essays, and short stories produced by the students in school. The organization is divided into six committees, each chosen by the entire club and each with a certain degree of autonomy with which to perform their assigned task.

The response to the magazine has been excellent in this, its second year of existence. The quality of many of the literary works submitted has clearly indicated that real talent is present in our school, and the various topics represented by poems and short stories in all our issues indicated extensive thought. Our staff has approximately twenty members, providing adequate dedication to the magazine, and Mr. Krauss' art classes have been very helpful in providing the magazine with a beautiful cover for every issue.

All this indicated that interest and potential in literary production is present in Guilderland, and that, although still quite young, *The Quodian* will soon become an integral part of the school's activities.

Bottom Row: N. Blumenthal, D. Hossler, L. Locke, P. Martin, K. Bazan, J. Hokirk, L. Frye, M. Moczinsky. Middle Row: M. Richards, J. Vrooman, F. Safford, K. Gralow, D. Gearhardt, L. Berg, J. Houser. Top Row: A. Samuelson, D. Gogol, C. Govel, P. Eller, J. Nitsky, J. Maher, B. Frye.

Pep Club

This organization consists of girls from tenth, eleventh, and twelfth grades who donate some of their spare time to promoting the boys' sport of wrestling at Guilderland.

Although the girls didn't really get organized until late November, they were soon operating at full speed under the watchful eye of Coach Wyld (also our Varsity Wrestling Coach).

The girls sell tickets, make posters, write announcements, design programs and in general, they brighten the atmosphere in the gym before, during and after every Wrestling Match.

Exchange Students

Front Row: Paulina Heyermann, Claudette DuBois, Cecilia Castellon, Patricia Sabugo. Back Row: Jacqueline Muller, Hernan Hecker, Rita Sansone, Monica Gomez.

In order to promote understanding between the United States and other nations of the world, Guilderland has been a participant in many student exchange programs. Each year Guilderland families are host to foreign students and contribute to their over-all understanding of our way of life.

Rita Sansone spent the summer of 1969 as our representative to Ecuador. South America sent seven other students to Guilderland. Claudette DuBois was the AFS student from Panama who spent an entire year with us. The Open Door Program made it possible for six South American students to spend ten weeks with Guilderland families. Paulina Heyermann, Cecilia Castellon, Patricia Sabugo, Jacqueline Muller, Hernan Hecker, and Monica Gomez were the Open Door Representatives to Guilderland.

South America wasn't the only continent represented by exchange students. Minki Louw, a student from South Africa, finished her year in the U.S. in January.

All of the students at Guilderland should be grateful for the fine exchange programs of our school. By living, studying, and becoming friends with foreign students we become aware of the similarities between our contemporaries from all over the world. They speak different languages or follow traditions which might seem strange to our way of life, but basically we are all the same.

Minki enjoys the Homecoming dance.

By Looking Upon

Minki Louw

While sitting on the plane on my way home I was "living" over the past year — Boy, did it shorten the boring flight!

Now what's a year? It's a terribly long period of time if you're a sophomore who hates school, but oh so short when you're an exchange student at a school like G.C.H.S.

I can still recall my first day, January 5, 1969, at G.C.H.S. Everybody was staring at me. Maybe because of my tan and white boots. But how should I, who comes from a country where everybody wears boots, know that to wear boots here is kind of "hoody." I wore them once after that on "Red and White Day." I didn't stand still in my boots because I was really very scared, but definitely not for long because everybody was just so great and kind.

During my stay in the U.S. I stayed with about five different families and had ten brothers and seven sisters. This I liked very much because I got to know more people. If I had stayed with only one family, I would have thought that all Americans are like them, which would have been unfair because everyone lives differently. I saw so much of your country and really got ashamed of myself for thinking that all of America is Disneyland, Hollywood, N. Y. City, etc. I just loved all the trees and change in seasons, and was very surprised to see signs like "watch out for deer."

Something I really like in your country is the \$50 fine for littering. I will never forget the day we went to a soccer game and I got rid

of my apple core through the window. (Now I am eating the core). I also enjoyed T.V. and my favorite program was "The Courtship of Eddie's Father."

Now what difference did I find in the food? Well, basically we have the same food, but you have a much bigger variety. And oh, do Americans like ice cream! If somebody would have told me that I was going to eat doughnuts and coffeecakes for breakfast, I probably would have laughed and asked who's so stupid to eat sweets for breakfast, but I did! And I really liked it, especially the honey dipped or glazed doughnuts.

About the language — well, my English went down the drain, but my American did just fine! Everybody teases me about my American accent. I also thought that our schools were harder and more strict, but this I must say: your schools prepare the student more for college.

Well, I don't want to start thanking people and clubs because then I would need the whole yearbook! Thanks for all of your kindness, farewell parties and presents.

Well those were the days my friends and we thought they'd never end — but they did.

I wish you much success for the future and just keep positive thinking because all is in the state of the mind. Maybe I'll see you someday . . .

Miss you all so much,
Your South American friend,
Hermien (Minki)

They As We.

Last summer I spent nine of the most exciting weeks of my life living in Quito, Ecuador. There, thanks to A.F.S. and Guilderland, I was able to meet some truly fabulous people and experience an entirely new way of living.

The first new people that I met during my adventure were the A.F.S.'ers traveling from Miami to South America. There were twenty-seven of us going to Ecuador alone! It was really amazing to meet so many people from so many different backgrounds and still find that they all had something in common. They were all kind, understanding, and most of all friendly.

The second group of new people that I met were the Ecuadorians, specifically, my family. I lived with the Guillermo Carrera family which included my parents, my eighteen year old sister, Lourdes; my twenty year old brother, Miguel; my twenty-five year old sister, Laura Inez and her husband, Cesar; not to mention a grandfather, aunts, uncles, and Cousins. They are really wonderful people and made me feel at home almost immediately.

Living in another country for any length of time is almost like being born all over again. you must learn to speak a different language, eat different foods, meet new people, and learn new customs. The whole process of adjustment that you must go through in order to fit in is, I'll admit, a strain. But everything eventually drops into place and you finally feel that you really belong.

Rita Sanson

It is the most gratifying and exciting experience in the world to be able to go out and speak to a stranger in a store or restaurant, and know that you are a native and not just another American tourist.

I wish to thank all of those at Guilderland and A.F.S. for having made my trip possible. I would never have been able to do it without you.

Rita

Claudette Dubois

I came from Panama to the U.S. during the summer of 1969 as an A.F.S. student to spend a year in this country.

This has been an unforgettable year for me, a year of intense learning. Through my American family, the McCulloughs, and my friends and teachers at Guilderland, I have gained an understanding of the American way of life.

I'll leave with a wonderful impression of this country where I spent the first winter of my life. Before I came to the U.S. I had never even seen snow.

I am very grateful to all of the students and teachers of Guilderland, especially to those who helped me in my struggle to adapt to the culture. These were the people who made my visit a wonderful and meaningful experience.

I leave with the hope that I have contributed to a better understanding of my country and its people.

1969 Junior Prom

King Jim and Queen Nancy after their Coronation.

Nancy Campbell and Jim Murphy just before their coronation as king and queen of the 1969 Junior Prom.

Cathy and Pete have decided to sample some of the refreshments between dances.

April 12 was set as the date for the 1969 Junior Prom. In January, work began on the decorations and a jungle theme was chosen by the class. However only a select few really helped.

It seems that everyone wanted to attend the prom, but few wanted to work. The Altamont fire station was the scene of many Saturday work sessions with Judy Nurnberger, decorations committee chairman, presiding over the small fraction of the class that made the prom possible. The three days preceding the prom were a real hassle with kids working all day and into the night.

The night of "Tuamotu" brought the crowning of the 1969 king and queen, Jim Murphy and Nancy Campbell. There was a great turnout with most of the Junior Class attending.

Couples enjoy each other, the music, and the decorations.

THE NEW LOOK IS OURS . . .

WHY NOT BE PART OF IT?

The College of Saint Rose is not new. We are almost fifty years old. But our look is new. Men, as well as women, are now taking advantage of the rewarding educational experiences offered here. Our community is composed of 850 undergraduate men and women, plus 150 faculty and administrative personnel, who plan programs together, and share thoughts in all areas.

A vigorous liberal arts curriculum, both flexible and innovative, is offered. Small classes make it possible for teachers to get to know you. Independent research and study are encouraged.

Why not join us in our educational adventure? For information about programs and admissions requirements, write to the Director of Admissions.
